

25th Annual Computer Security Applications Conference

ACSAC 25

7–11 December 2009

Sheraton Waikiki, Honolulu, Oahu, Hawaii, USA

<http://www.acsac.org>

Call for Participation

The 25th Annual Computer Security Applications Conference (ACSAC) will be held the week of December 7–11, 2009, in Honolulu, Hawaii, USA. ACSAC is an internationally recognized forum where practitioners, researchers, and developers in information system security meet to learn and to exchange practical ideas and experiences. If you are developing, researching, or implementing practical solutions for protecting corporate or government information infrastructures, consider sharing your experience and expertise at this conference.

We are looking for papers, panels, tutorials, posters, case studies, works-in-progress (WIPs), and workshops that address such technologies, concerns, and issues as:

- Access control and biometrics
- Applied cryptography
- Audit, audit reduction and forensics
- Certification and accreditation
- Cybersecurity
- Database security
- Defensive information warfare
- Denial of service protection
- Distributed systems security
- Electronic commerce security
- Enterprise security
- Identification and authentication
- Identity and trust management
- Information survivability
- Insider threat protection
- Intellectual property rights protection
- Intrusion detection
- Mobile and wireless security
- Multimedia, P2P, and VoIP security
- Operating systems security
- Privacy and data protection
- Product evaluation criteria/compliance
- Risk/vulnerability assessment
- Secure location services
- Securing cloud infrastructures
- Security engineering and management
- Security in IT outsourcing
- Software assurance
- Virtualization security
- Web 2.0 security

Come celebrate our 25th anniversary in Honolulu!

Organizers

General Chair

Carrie Gates, CA Labs

Program Chair

Charles Payne, Adventium Labs

Program Co-Chair

Michael Franz, UC Irvine

ACSAC offers conferenceships for students who otherwise would not be able to attend the conference. The conferenceship covers hotel, registration and a cash award to help defray the costs with transportation and food. Students should contact the ACSAC student award chair if interested in a conferenceship; visit www.acsac.org.
