Learning from Authoritative Security Experiment Results

Co-located with the 2023 Annual Computer Security Applications Conference (ACSAC)

December 5, 2023
Please send me your slides!

Please send me a PDF version of your slides via email

Slides will be linked from the LASER program on the ACSAC website
Workshop Papers

Participants in the LASER Workshop are invited to write new papers on their experimental work.

The papers will be published in post-workshop proceedings.

The new papers will be driven and guided, in part, by the discussions and interactions, and possibly even new collaborations, forged at the workshop.

Notional Schedule

- Draft papers due approximately two (2) months after workshop.
- Program committee will review papers and provide notifications and feedback one (1) month later.
- Final camera-ready papers will be due approximately one (1) month later.

Tentative Dates

- Draft Papers Submitted: Feb 5, 2024
- Reviews and feedback: Mar 5, 2024
- Final Papers Submitted: Apr 5, 2024
- Papers Published: May 5, 2024
Focus on and expand the experimental aspects of your work

Cite the original paper and briefly summarize the content as background

Touch on relevant areas of interest and meta-questions discussed earlier

Include lessons learned

At least 30% new content, but percentage should be higher if you follow the guidance

Paper should be no more than 12 pages

LASER Workshop paper formatting instructions and templates are on the NDSS website site at https://www.ndss-symposium.org/ndss2023/submissions/templates/
LASER “Experiment”

**H1**: NDSS and ACSAC authors are excited about sharing their experimental methodologies, execution, and results

**H2**: NDSS and ACSAC authors and LASER participants are interested in learning about other researchers’ experimental methodologies, execution, and results

**H3**: NDSS and ACSAC authors and LASER can work collaboratively to improve experimental science in cybersecurity research
Workshop Reflection

Go around the room …

Please share:

• Something thing you LIKED about the workshop,
• Something you LEARNED from another presentation, and/or
• A suggestion for IMPROVING the workshop.
Thank you for participating!!
